

Gauge O Guild Virtual Show Live Timetable

- All live sessions for our virtual show are via [Zoom](#), [YouTube](#), [Skype](#) or [Facebook](#).
- To join by Zoom you don't need to install any software - just click "download and run Zoom". At this point a link to "join from your browser" usually appears.
- Joining a Zoom meeting without installing the client gives limited features - see this [Zoom support page](#) for more information.

All live sessions will be recorded and made available for 14 days after the event.
